Patrick McDonnell : A Shtinky Little Christmas (Mutts) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Shtinky Little Christmas (Mutts):

Five Stars By Harold Edward Wills Don't delay getting this incredible statement of the true meaning of Christmas. 4 of 4 people found the following review helpful. Perfect stocking stuffer for the animal lover in your life By M. Lapierre If you're seeking out the perfect stocking stuffer for the upcoming holiday season, this is it. I have long been a fan of the Mutts comics, particularly their Shelter Stories promotion, and while this little gift book will take you only minutes to read, it's the meaning behind the story that will stay with you. This will melt the heart of any animal lover. 2 of 2 people found the following review helpful. Perfect little gift with a lot of heart. By PATA 123 The book arrived the day after Christmas but that was due to my ordering late. It was well worth the wait. It came in excellent condition but did not like the sticker on the back of the book that would not come off without a mess and it had a price tag on it, couldn't get it off. A little embarrassing.

A giftable Christmas-themed MUTTS keepsake edition from New York Times best-selling author Patrick McDonnell. "Can we really lose something that's already lost?" Inside Patrick McDonnell's A Shtinky Little Christmas, Earl the dog and Mooch the cat celebrate the season by taking in a wayside waif, who they promptly name Shtinky Puddin'. Shtinky is a tiger-striped trash-can forager, frequent purrer, and lover of shpagetti, potpie, and shpagetti. As Christmas approaches, Shtinky Puddin' grows ever more homesick and decides to depart the comfort and

safety of Earl and Mooch's protection in hopes of finding home. With uncommunicative snowmen and zero luck, Shtinky Puddin' gets lost in a blizzard, only to be found by Earl and Mooch, who then get lost themselves. Just in the nick of time, a jolly rotund, red suit-wearing, white-bearded human approaches and delivers the traveling trio straight to their peoples' doorstep—only to learn that Shtinky Puddin's peoples have come to claim their lost tiger-striped kitty named Jules. With caviar rewards, Christmas naps, and New Year's resolutions to “do less,” this emotive Mutts gift book reminds us that there is indeed a reason for the season with themes of friendship, thankfulness, family, home, and hearth.
