0 of 0 people found the following review helpful. Stupid CriminalsBy Jill BemisA former Assistant Ramsey County Attorney provides snippets of rash criminal activity by those least capable of success. Most incidents take place in the Minneapolis - St. Paul Metropolitan area in Minnesota and the misspellings are taken directly from police reports. While you will find humor in the situations the individuals find themselves in, you will wonder about the letdown that these people must feel. After all, they tried their best, only to fail miserably. No wonder crime doesn't pay!
