KashdanThere are 3 fantastic essays in here:"A Supposedly Fun Thing I'll Never Do Again""Getting Away from Being Pretty Much Away from It All"and the essay on Michael Joyce.Its extremely sad to see such a talented writer die young. This is a good book but not great only because there are a few doozies in here. Definitely, definitely read the three chapters above for a hilarious look at cruise lines, an anthropological study of "white trash" at the Illinois State Fair, and a behind the scenes look at tennis stars who never hit the spotlight.
