Bob Phillips' hilarious collection of fish tales, fish jokes, fish facts, and fishing illustrations by Hi and Jinx cartoonist Jonny Hawkins is sure to have readers laughing out loud as they read sections that include: Fishing Funnies. A very famous Alaskan hunting guide changed his business and became a fishing guide. When he was asked why, he replied, "Nobody has mistaken me for a fish yet." Did Ya Know? The climbing perch of South Asia climb trees! Great quotes. "Fishing is generally best before you get there and after you leave." Whether readers are out on a lake or sitting at home dreaming of opening day, they'll love this fun look at pursuing the big one that won't get away!
