It is possibly the best such anthology extant!0 of 0 people found the following review helpful. Four StarsBy Paxton E. PickrellThank you7 of 10 people found the following review helpful. Laugh out loudBy David B. SmithLaugh out loud or just a smirk you will love this book

Over one thousand limericks feature in this anthology - clean, dirty, filthy and frankly obscene. It contains limericks that are historical, geographical, wistful, whimsical, clerical and medical - and almost all of them fantastical.
