Doug Giles : A Time to Clash: Papers from a Provocative Pastor before purchasing it in order to gage whether or not it would be worth my time, and all praised A Time to Clash: Papers from a Provocative Pastor:

3 of 4 people found the following review helpful. A Time to ClashBy DianeThis book is not for the faint hearted. But if you are tired of wimpy Christianity that will not take on the culture, then read this book. Giles has a very good writing style, and he will make you think. He may also "get in your face." Just his chapters on potential suitors for his daughters is worth the price of the book. Giles is not afraid to take on just about any subject.2 of 3 people found the

By drollerepastor giles is a great american and a great christian! people who don't read the bible they don't realize how many times the baby jesus used words like "war", "kill", "guns" and "clash", but pastor giles is not afraid to lift the fog from their eyes and preach the true gospel of south texas! best of all, this book is in english, so immigrants can't read it, and it uses really simple words -- so i can read it! i would say this book should be in every motel night stand instead of the bible, because those of us who love the bible take it with us everywhere, and that way maybe some freedom hating know it all liberal will maybe read this book instead of watching sinful movies on the motel pay per view. thank you pastor doug and god bless!

By Danny
And yet another pharisee who believes that god is his constituent.

"Doug Giles' A Time to Clash is a substantive and funny tour de force for traditional values." - Ann Coulter Miami, Florida. The culture war is heating up and Doug Giles, pastor of ClashChurch of Miami, Florida has jumped in, gloves off and tongue wagging at the cultural coarsening people and policies he believes are screwing up the church, family and state. Doug Giles, pastor, author, artist, talk show host and popular columnist on the nation's largest conservative news portal, TownHall.com is, obviously, not your typical mild mannered minister when it comes to the speaking out on issues impacting our nation's traditional values. Yes, when a lot of ministers would sit down, shut up and blend in on controversial issues and idiots because of political correctness, the love of temporary praise (not to mention, the money being a nice boy brings) you will not find Doug taking that ignoble course of action. With comedy, substance and an unapologetic Christian worldview Giles weighs in on everyt
