Ken Davis : A Twisted Mind before purchasing it in order to gage whether or not it would be worth my time, and all praised A Twisted Mind:

He is without a doubt one of the best comedians I've heard in a long time. His appeal crosses all age groups, and is probably one of the few I can listen to with my kids and be comfortable. Ken has a

unique way of looking at life, as most comedians do, and I challenge anyone to listen to him and not laugh. And while he's weaving his tale of humor, he intermingles a message about God's love for us. I highly recommend this audio tape to anyone and everyone. It's laughter for the mind and soul!

Ken's complete comedy concert — guaranteed to fill the room with laughter while communicating the real reason for joy.
