Damnation:

Here's everything you ever wanted to know about Hell . . . but were too afraid to ask! In the realm of eternal damnation, what tortures will we find? How hot is it, really? And most important of all, how can we make sure that it's not our final destination? Drawing on the Bible, as well as a host of other literary and religious sources, an expert on Scripture provides an illuminating look at Hell—from its occupants to its don't-miss sites. Dr. Clint Archer offers a thought-provoking, learned, at-times-hilarious guide to a place that might be interesting to visit . . . but you wouldn't want to live there!
