By Rachel Horon I love Janet Evanovich's books, especially the Stephanie Plum books. It takes a thriller of a detective series and makes it easier to read with humor and sass. Since I share the same feelings about her stories with some of my friends, it helps to have some extra insight to bring into our discussions. In this companion book to the novel, it highlights the story and its themes and motifs without taking away the dialogue and events that you only get by reading the actual novel. The review also gives an unbiased view that I never thought of when considering the book and the characters. This guide gives me a boost into those points we might have missed. I am satisfied with the summary and analysis it provides me.

By Customer As a big fan of the Stephanie Plum series, I read this latest book as soon as it came out! It continues to follow Stephanie Plum as she first follows petty criminals and then becomes twisted in a plot to release the bubonic plague! This companion has a precise and comprehensive discussion of Tricky Twenty-Two that goes beyond a summary. It includes a review, setting, and summary and analysis of the text. It provides discussion of themes and symbols, as well as questions for book clubs to discuss. I really felt like every section added a lot to my comprehension. I would recommend this book to any fan of the Stephanie Plum series who wants to learn more about the significance of the story, both itself and in the context of the whole series. I can't wait for the next book!

By Kim Foster Once I got started on these Summary Analysis books by BookSense, I found myself wanting one for a lot of my favorite books. I read voraciously but I'm afraid I have to admit I'm kind of a "surface" reader, and I don't look much further than what the book is saying on a surface level. The Summary Analysis always gives me so much more to think about and consider. Trick Twenty-Two (the novel itself) is pretty light reading, the kind of thing you kill time with, and I read it recently as I traveled by bus. I happened to finish it before my trip was over so what the heck, I went ahead and ordered the Summary Analysis while I was still traveling, and expanded my enjoyment and understanding of the novel. Highly recommended.

Tricky Twenty-Two: (A Stephanie Plum Novel) by Janet Evanovich | Summary Analysis This is a Summary Analysis. Janet Evanovich continues the Stephanie Plum series into its twenty-second volume. A quick and easy read, it is sure to please long-time readers; an eminently accessible read, it is inviting to readers new to Evanovich, enticing them with thoughts of what has preceded its pages and hinting at more to come. It is a welcome respite from the dour and heavy works typical of thriller fiction, a rollicking trip along some of the more interesting components of United States society, and one well worth taking. Evanovich's novel, depicts the continuing adventures of protagonist Stephanie Plum and company as they follow several who have failed to appear for court dates, pursuing them against their bonds and finding themselves involved in a putative plot to release the bubonic plague in Trenton, New Jersey. A short and rollicking read, it moves from mundane, petty crime into horrific domestic terroristic attack and back, along the way offering an enjoyable, easy reading experience that takes readers out of their daily lives – but not so far that they cannot find their way back home again. This companion to Tricky Twenty-Two includes the following:

- Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher the novel
- Summary of the text, with some analytical comments interspersed
- Thought Provoking /or Discussion Questions for both Readers Book Clubs
- Discussion Analysis of Themes, Symbols...
- And Much More! This Analysis fills the gap, making you understand more while enhancing your reading experience.
