**Lizzie Preston, Chellie Carroll : Art Therapy 20 Notecards Envelopes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Therapy 20 Notecards Envelopes:

Coloring fans can now share their creative talents by completing the greeting cards in this wonderfully designed set. There are 20 blank cards and envelopes to scrawl messages inside, each with an elegant and original, partially-colored illustration on the front for senders to customize and color in. There are 10 different designs, each with two different complementary color pallets. Each card is securely glued into the beautifully bound hard case, forming a well-designed pad.

"It is such a thrill to receive a hand coloured card as I found out recently. I've kept it and still get a buzz out of it. There

isn't one design in this pack of notecards that I wouldn't enjoy colouring.' — Colouring Inside The Lines Blog
