By A Customer
My wife gave me this book as an early Christmas present. What a pleasant surprise. The quotations are much better than I had anticipated--not just for fun, but helpful with your game, too. For this price, I doubt you'll find a more useful golf book, and it's entertaining too!

The ultimate little golf book packed with the best tips, thoughts and quotations from the greatest names in the game. Golfers are always looking for shortcuts, tips and quick paths to saving strokes. And in the three centuries that people have been writing about the game, all of the great players and teachers have had their wisdom quoted, written down and passed along. Focusing on instructional nuggets and not just philosophical fodder, *AS HOGAN SAID...* pulls together the best pieces of golf advice ever said or written in a unique collection that is both practical and inspiring. With a gallery of golfing greats that includes Bobby Jones, Jack Nicklaus, Sam Snead, Tom Watson and Tiger Woods, *AS HOGAN SAID...* features the game's most perfect pointers on subjects ranging from starting out, putting, driving, warming up, tempo, sand, lessons, getting older and the mental side of the game. Making relevant stops at such luminaries as Harvey Penick, P.G. Wodehouse, and Bernard Darwin, this is the perfect gift book for everybody's favourite golf enthusiast!
