Never bothered buying any of his books before, since half of his stories are freely available on his website, but those are just the warmup. Of all the story compilation books he's done, this is probably the best one. 1 of 1 people found the following review helpful. Great book. Fun to read! By jaloffli bought this as a gift for my son. couldn't put it down.0 of 0 people found the following review helpful. A good read for fans.By TJ HayesFunny and asshole'ish. If you're a fan of "Ihope they serve beer in hell" and other writings from this author, you won't be disappointed by this book.

The best gift for the dudes and bros in your life: the fratire New York Times bestseller Assholes Finish First, featuring twenty-five new and exclusive stories by Tucker Max.What do you do after you write a #1 bestselling book about your drunken, sexual misadventures that makes you rich and famous? Celebrate by getting more drunk and having insane amounts of sex, obviously. And pretty soon you've got another bestselling book on your hands. Stuffed full of ridiculous stories of bad decisions, debauchery, and sexual recklessness, Assholes Finish First starts where I Hope They Serve Beer In Hell left off, then proceeds to "some next-level shit." You already know how women react to confidence, game, and vodka, but what happens when you add money and fame to the mix? You get answers to the hard questions you've never thought of asking: • What's it like to have sex with a midget? What about two midgets? • What does it do to a man to watch a nineteen-year-old do wind sprints to sober up, so that she can have sex with you before her twin sister does? • At what number of virgins does deflowering them stop being fun and start feeling like a job? • When a girl you met three hours ago decides to tattoo your name on her body, what is the appropriate reaction? The answers are inside, they are absurd and hilarious, and they are the product of one man's experiences: His name is Tucker Max, and he is still an asshole.
