Norman R. Augustine : Augustine's Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised Augustine's Laws:

Four StarsBy Seawolf96Fine0 of 0 people found the following review helpful. The Edition to OwnBy Duncan M. WalkerThis is the 1983 second edition, which my father gave me many years ago. It is a superb book, as noted required reading for anyone in the military, government, aerospace or project management. The "new" sixth edition from 1997 is rewritten, so not as funny, and has bad, bad copies of the figures from the 1983 book.
