Ged Backland : Aunty Acid's Office Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Aunty Acid's Office Manual:

0 of 0 people found the following review helpful. Enjoyable read By CupkateCute book. It is not long. It took less than half an hour to read. That's ok. I got this for my mother in lae to keep in her office. There was lots of humor although several repete pictures from other things like calandars. If you are an Aunty Acid fan then this is a good read and easily shareable with others. 0 of 0 people found the following review helpful. Great read if you need to laugh By Lori L. Yates The book is hilarious. Great read if you need to laugh. 0 of 0 people found the following review helpful. Very funny. By Charlotte Thompson I got this for my female boss for Christmas. She loved it. Packed correctly, not to big or small.

Aunty Acid is the sassy senior created to give "the crazy old lady in all of us" a voice that can be heard from ten blocks away. With her long-suffering husband, Walt, Aunty Acid tells it like it is and has her own unique opinions on everything. Her fan base is still growing by more than 1,000 a day as word on her wit and sassy sayings spreads to millions each week. AUNTY ACID is created by GED BACKLAND and is brought to life by the team at the Backland Studio in Bradford, West Yorkshire, in Northern England. Their other properties include the widely succesful Scarlett Crimson series.
