**Shazza Jones : Australian Swear Word Colouring Book: Swear Like An Aussie** before purchasing it in order to gage whether or not it would be worth my time, and all praised Australian Swear Word Colouring Book: Swear Like An Aussie:

0 of 0 people found the following review helpful. It abounds with four letter words (which were not allowed in quotation marks in the first review I submitted) used in the most dBy kate sherrillThis book is not adequately described! I bought this book to give to a friend traveling to Australia thinking it would be a humorous send off. What a mistake ( and thank goodness I had it sent to me first). The book contains some of the most crude and vulgar humor I've ever seen in print. It abounds with four letter words (which were not allowed in quotation marks in the first review I submitted) used in the most disgusting and degrading way. Now I am no prude or stranger to swearing (having worked in the ER for many years) but there is not a drop of humor in this book.

Forget about 'putting another shrimp on the barbie'. It's time to learn some 'decent' Australian Swear Words! Here's 27

of them for you to use (and abuse).
