Core Keller : Aviation Humor: Poking Fun At Airplane Helicopter Pilots before purchasing it in order to gage whether or not it would be worth my time, and all praised Aviation Humor: Poking Fun At Airplane Helicopter Pilots:

1 of 1 people found the following review helpful. The vast majority of each page is blank, and ...By Claude L. Cornett Jr.The vast majority of each page is blank, and most of what little is written is not humorous. I am returning it to

If you're into aviation, this book is a must. Learn about the distinctions between helicopter and airplane pilots in a joking way. This book is a great way to break the ice, especially at a party. Considering learning to fly? Read this book before making up your mind about what you want to fly. You might be surprised at what you might learn.

About the AuthorCore F. Keller is a pilot in the Pacific Northwest and is the author of several books which can be found at:<http://www.oregonpilots.com>When not flying, Core is a writer/editor for a software company that produces educational courseware for colleges and universities, nationwide.
