The funniest book I have read in a long time.By Old SoldierHaving worn the brown round hat, I roared and howled in laughter at the memories this book brought back to me. Social media has brought the life of young people undergoing the transformation from couch potato to hard

charging soldier to light, and I think that is a good thing. I remembered my frustrations at having to teach teenagers how to march and how to shoot. Those young soldiers taught me patience, whether I liked it or not. Understand that a Drill Sergeant (and, in the Marine Corps, the Drill Instructor) has one of the most important jobs anywhere in our society. They have to teach young men and young women how to survive in a firefight. With this always in the back of his mind, the Drill Sergeant never lets up on the pressure, never slacks off, and demands the utmost from his soldiers. This book is a great read for anyone that has been through basic training, and especially for those who are headed to basic. 0 of 0 people found the following review helpful. A Funny Read! By A Committed Reader This book was fun to buy because I knew what I was in for, many laughs. Since my husband was a lifer in the Air Force, he told me early on in our relationship about Drill Sergeants, and although he found Basic Training quite stressful at the time, he chuckled while relating the stories to me. Even though the language that Drill Sergeants use is very raw, it is somehow more tolerable when the purpose for it is understood. 0 of 0 people found the following review helpful. It is what it is. By Rhode Turtle I've read other books along this line but I didn't find these as humorous as I'd thought they might be. For a collection of stories, I was surprised they all seemed to be about the Army. Is it a good read, it depends upon why you are reading it. Looking for a story, you won't find it here. Looking for random stuff said by drill sergeants then this is the book for you.

The official tie-in book to the wildly popular Facebook page, featuring brand-new crazy, off-the-wall, outrageously funny, and downright "awesome" pearls of wisdom from real-life drill sergeants and instructors from all branches of the military. Sweat dries. Blood clots. Bones heal. Suck it up, buttercup. After his deployment in Afghanistan, Dan Caddy began swapping great drill sergeant stories by e-mail with other combat veterans—an exchange with friends that would grow into the dedicated Facebook page, "Awesome Sh*t My Drill Sergeant Said." But what began as a comedic outlet has evolved into a robust online community and support network that conducts fundraisers for and donates to military charities, has helped veterans struggling with PTSD and other issues, and on numerous occasions, literally saved lives. Now, Caddy shares more great DS stories—most never before seen—in this humorous collection. Often profane, sometimes profound, yet always entertaining, these rants from real life soldiers are interspersed with lively sidebars, Top 10 lists, stories from fans, one-liners, and more. For anyone who has suffered a hard-ass manager (in uniform or not), *Awesome Sh*t My Drill Sergeant Said* will add a much needed dose of humor to the day.

From the Back Cover Welcome to basic training, soldier. Now meet your worst nightmare . . . your drill sergeant. Even if you've never served in the military, you know the drill sergeant. The mere sight of his fatigues and the iconic "Round Brown" campaign hat strikes fear into the bravest of hearts. Drill sergeants inflict pain, demand discipline, and aren't afraid of power, aggression, and using fear as a motivational tool. But unless you've witnessed one firsthand with your face in the mud doing pushups, you might not know one other fact . . . drill sergeants are some of the FUNNIEST people on the planet! After his deployment in Afghanistan, Dan Caddy began swapping great drill sergeant stories by e-mail and social media with other veterans. Now, in *Awesome Sh*t My Drill Sergeant Said*, Caddy shares the best-of-the-best quotes, one-liners, stories, and top-ten lists—proving once and for all that drill sergeants are the world's most underrated comedians and philosophers.
