Jeff Wysaski : Awkward Merit Badges before purchasing it in order to gage whether or not it would be worth my time, and all praised Awkward Merit Badges:

1 of 1 people found the following review helpful. Fun stickers for any camp! By N. Kane The inside is like the cover. There are 3 stickers per page. Each page is printed twice so you can have two people with the same sticker. Stickers say things like "errant reply all email" and "third wheel" or "rehearsed food order", plus a ton of others such as "tripped in public" and "pretending to text". Was loved by all! Fits great in the pocket like a long thin business card to carry all camp. 1 of 1 people found the following review helpful. Quite a bit smaller than you think! By Michael Dwyer See that book? It is about the size of three US Half Dollars set side by side. So, if you buy this, be careful you don't lose it in the packing materials. Inside, there are two copies of each self-adhesive badge, so you can give one away while still maintaining the collection... if that's your thing. This is something fun to keep in your collection of cubicle toys. 1 of 1 people found the following review helpful. so funny! By gabby hill-braunmy 4 month old son has earned "noticeable stain on shirt" and "third wheel" my husband has earned "had fly down all day" lmao! hilarious!
