Babes on Boards is a comedy about a small ski area trying to fend off a large conglomerate intent upon gobbling it up. Shadow Bowl is facing negative cash flow, a rapidly melting snow pack, aging snowmaking equipment, dilapidated chairlifts, and an influx of (gulp) snowboarders. Join Cliff in this laugh-a-minute tale as he attempts to rally the troops, overcome the obstacles, shed his aversion to snowboarders, and battle the Peaks Conglomerate. Neither side is above stooping to sabotage in order to win. You will never look at skiing, or snowboarding, the same way again.
