Steve Tague, Julie Long : **Baby: An Owner's Manual: Operating Instructions No Baby Should Be Delivered Without** before purchasing it in order to gage whether or not it would be worth my time, and all praised Baby: An Owner's Manual: Operating Instructions No Baby Should Be Delivered Without:

0 of 0 people found the following review helpful. Five StarsBy Pamela SouthworthGreat for a first time dad0 of 0 people found the following review helpful. Baby: An Owner's Manual: Operating InstructionsBy justmeWhat a

hilarious book!! I had purchased it for a shower gift a couple years ago, and had to get another one for my son and his first baby. He is a Diesel Mechanic!! I have always said that babies and husbands should come with an owner's manual, and this was the perfect choice for the baby manual! 0 of 0 people found the following review helpful. Bought this for my husband while pregnant with our first ...By Aicire Bought this for my husband while pregnant with our first daughter. He has since not only referenced it, but let his fellow "soon to be dad" friends borrow it.

Congratulations on becoming a BABY owner! Your new acquisition, with proper care and maintenance, should provide you with many years of enjoyment. This manual is a complete guide to the care and operation of your new unit. Instructions for models XX-G, "Baby Girl" and XY-B, "Baby Boy" are included herein, with specific instructions for handling, filling, storing, transporting, cleaning, and troubleshooting. To keep your unit in proper working order, please follow all instructions carefully. Warning: The publishers of this manual are not responsible for any damage unit causes to owner's home, property, or mental health. Please allow up to nine months for delivery.
