That means we are 3.5 months into it and I can honestly say that none of these are funny. In fact, they captions are downright stupid. We own 5 cats so it's not like we don't have a sense of humor!!! Never again. 1 of 1 people found the following review helpful. Have been buying this calendar every year for several years ... By George Mosby Have been buying this calendar every year for several years now. Hilarious cartoons that capture the essence of the vicissitudes of cat behavior. 1 of 1 people found the following review helpful. Bad Cat, Fun Calender By socialgall've had these in past years. Fun to read a different "bad cat" quip each day. Don't cheat and look ahead. Makes a great, fun gift!

When cats go bad, they go really, really bad. The outrageously hilarious calendar with 1.5 million copies in print and adapted from the New York Times bestselling book, Bad Cat is a disturbing yet irresistible foray into the underbelly of feline life. Here are cats pretending they are celebrities from Animal Planet. Cats wearing bunny ears to get out of jury duty. Cats sitting on computer keyboards to protest bad novels. Plus hundreds more hyper cats, slovenly cats, surly cats, apathetic cats, disloyal cats, and overindulged cats: Bad Cat Early Warning Sign #76: Cat insists on being addressed as "Your Majesty" and being carried to the litter box.
