Intercontinental purchase success!By SueIts a fun calendar, I have had one every year for a while now in England, so I brought one for my friend in PA and ordered thru com. Delivery not as prompt as I was hoping for, i was just starting to fret, but it got there before Xmas so that did the job. And she seems to like it.1 of 1 people found the following review helpful. All in all disappointed that the humor is like this nowBy CustomerCalendar is not the same as in the past. Language is much more vulgar so beware if you are giving this as a present. Will not be buying this as a present anymore which is disappointing since I've been buying the calendar for years now. All in all disappointed that the humor is like this now.2 of 2 people found the following review helpful. She loves the calendar!!!By shirley55Will give this to my sister who loves the bad cat calendar. I get it every year for her.

BAD CAT WALL CALENDAR is a disturbing yet irresistible foray into the underbelly of feline life. When cats go bad, they go really, really bad. Cats pretending to be Irish as an excuse to overindulge in Guinness. Cats hiding from perceived government surveillance. Cats leaving “surprises” in flower beds. Plus hundreds more hyper cats, slovenly cats, surly cats, apathetic cats, disloyal cats, and overindulged cats: Bad Cat Early Warning Sign #76: Cat refuses to

leave refrigerator until owner buys decent beer. It's the outrageously hilarious calendar with over 802,000 copies in print, adapted from the New York Times bestselling book.
