**Virginia Woof : Bad Dogs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bad Dogs:

Dogs have always been man's best friend. But this collection will have you wondering why. Don't be fooled by their furry faces and wagging tails; these 112 full color photographs showcase the sneaky, dirty, destructive (and hilarious) aspects of the dogs' life, giving new meaning to the phrase "bad to the bone."

About the AuthorVIRGINIA WOOF is an English Springer Spaniel and one of the foremost modernists of the growing dog photography movement.
