**Morgan Dax : Bad Poetry** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bad Poetry:

1 of 1 people found the following review helpful. Dark and edgy with a perfect dose of fun. By CustomerA roller coaster of emotions that make you stop and appreciate your own experiences in life. Highly entertaining if not a little shocking at times. Looking forward to more from this emerging author!

Does writing a bunch of poetry in your teens and twenties make you a good poet? Nope. If you like a good mix of sardonic humour, copious amounts of swearing, wise insights sprinkled amongst a bunch of bullshit, plus, of course, some rather bad poetry, then this is the book for you!

About the Author Morgan Dax resides in Ontario, Canada with a feisty cat, a stripper pole, and a slew of random papers all over her desk.
