About the Author My name is Carina Sundberg and I love to draw. Given a choice I normally draw shoes, bags or anything related to fashion, but I am never afraid of a challenge. I use a lot of different techniques, ink, markers, digital or a mix of all of them. My dream job is every new job I get, a cliché, but it is true. Usually I think that whatever I am doing at the moment is the best job I ever had. Creative – is probably what all illustrators say, but I actually think I am. My brain is always spinning and I see new opportunities in everything I do. Member of The Association of Swedish Illustrators and Graphic Designers. Represented by Swedish organization of illustrators, Illustratörcentrum. Carina is also the illustrator and creator of the Shoes Coloring Book.
