The recipes are not generally useful, everyday things a person would want to make, and they are very involved. Someone making these recipes, would most likely be only

doing so for a specific, Breaking Bad themed party or event, not for family dinner. This is alright, since I expected it to be more of a joke, funny book. Get this if you loved BB, and want something silly, and cool to read, a parody that can be used for amusement. Or if you are planning a themed party, and want themed foods. 0 of 0 people found the following review helpful. Very funny book and actual recipes you can follow and make ...By DiehardVery funny book and actual recipes you can follow and make real treats. The layout is decent and font size doesn't require magnifying glass to read. If you're a breaking bad fan this is a good parody cook book to have around, also makes a great gift. 0 of 0 people found the following review helpful. Breaking Bad Fans will love thisBy MouseMargoSimply the best parody cookbook out there. Bought to gift but want to keep. Hilarious. Nothing real exceptional in recipes but each recipe fit the book beautifully. Like that it has both English and metric measurements. Pictures are great. Great quality-made book. Laughs all the way through on EVERY page. Bit pricey new but I bought used and was great value. If you are a fan of the show, you won't be disappointed in this book.

What do you do when the greatest TV show ever has come to an end and you no longer have ground-breaking, meth-related drama to get you through the long winter nights? Answer: you create a cookbook full of baked delights, each made in loving reference to the story of our favorite chemistry teacher-turned drug-baron. Baking Bad is a recipe book full of real, edible recipes created in homage to the TV series that we STILL can't stop talking about. From "Ricin Krispie Squares" to Walt's signature "Buried Barrel Dessert," each of these recipes is 98% pure and 100% edible and delicious. (No gasmask required.) Baking Bad will make the perfect gift for any fan, or a self-purchase for people who just can't resist one more, tasty, hit. After all, who could turn down "Tighty Whitey Bites," "Box-Cutter Donuts", or "Heisen(Batten) Burg Cake" (complete with black hat). Stylishly designed and illustrated throughout with full-color photos - each page is loaded with visual and textual references that fans will love and offers easy to follow guides to create real, delicious, and inspired treats. As Jesse would say: 'Let's Cook. B****.'"
