Barbara Johnson was a fantastic and talented writer. I was thrilled to get 3 of her books in 1. What we here on earth lost when she passed, Heaven surely gained.

Readers can now add three of Barbara Johnson's most popular titles to their collection - Living Somewhere Between Estrogen and Death, Leaking Laffs Between Pampers and Depends, and He's Gonna Toot and I'm Gonna Scoot. For women of all ages, aches, and architecture, Barbara heaps on the joy needed to grow old ferociously amidst husband-handling, kid-corralling, and parent-parenting, all the while keeping their focus on our home in the sweet by and by.

About the Author Barbara Johnson guided millions of hurting women through the tunnel of despair with her best-selling books including Plant a Geranium in Your Cranium, Living Somewhere Between Estrogen and Death, and Stick a Geranium in Your Hat and Be Happy. She and her husband, Bill, founded the non-profit Spatula Ministries which helps parents in crisis. She died of cancer in 2007 at the age of 79.
