following review helpful. A must read for any Trump "super fan" By Brandon McDonald Absolutely hilarious quotes, with citations so you can re-watch history of one of the "brightest" minds on earth.

From award-winning reporter and author of *Pieces of Intelligence: The Existential Poetry of Donald H. Rumsfeld* comes this collection of poems mined from the interviews, speeches, and tweets of Republican President-elect Donald Trump. The Vicious Ones I was attacked viciously By those women, Of course, it's very hard for them To attack me on looks, Because I'm so good looking. But I was attacked very viciously By those women. --August 9, 2015, NBC's Meet the Press Straight from the mouth of "the Donald" himself, this treasury of spoken poetry—not a word is changed—has been culled from nearly 30 years of interviews, speeches, tweets, and ramblings from President-elect and billionaire Donald Trump. Since the 1980s, Trump has built his verses like his casinos, using only the highest quality words and phrases, regardless of cost. He's run a real estate empire, achieved a net worth of ten billion dollars, scripted best-sellers, and starred in the top-rated TV show "The Apprentice." Like a colossus, he bestrides the cultural world as if it were the bottle-strewn boardwalk of Atlantic City. But until now, Trump's poetry—delivered spontaneously in moments of enduring clarity—has gone unnoticed, (making it the only aspect of Trump to be that way.) On a regular basis, The Donald speaks, tweets and hollers his verses—always without the needless restrictions of political correctness and grammar... because among world class poets, there don't be no grammar, there only be truth... big time! Whether you're a Trump debunker or admirer, The Bard of the Deal will delight, shock, and entertain you. So prepare to be Trumped by the ten billion dollar poetry of the ten billion dollar bard. This is the art of the poem.
