Annie Korzen : Bargain Junkie: Living the Good Life on the Cheap before purchasing it in order to gage whether or not it would be worth my time, and all praised Bargain Junkie: Living the Good Life on the Cheap:

Her writing style is built around stories vignettes from her life, so just know not to expect a "Mary Hunt" type book, like "Tiptiouary" or a book of listings of straight out thrifty ideas, this book is more of a philosophy. (I do enjoy the "Mary Hunt" type of book as well, this just is more story type writing.) I enjoy Ms Korzen's approach to living, she's not exactly "picky cheap", but more "living large" oriented. I was able to read this book in small increments, but it would be enjoyable as a one sitting read as well. The only surprise is that the volumem

I received didn't have a cover like that pictured, it had a plain white cover back. And I just looked at it again found the problem, the cover of my book was put on backwards. The pictured cover is on the inside of my book the outside has no picture or printing whatsoever. But I don't feel like paying shipping to get a new book. Anyway, I'd get it again. 2 of 2 people found the following review helpful. Living Well May Be the Best Revenge But Doing it on the Cheap is Even Better By Joan S. Polk Some years ago I saw Ms Korzen's one woman show so I knew I was in for a treat when I picked up Bargain Junkie. The book didn't disappoint. There were chuckles on every page and even a guffaw now and then and best of all it is timely as well as funny. Who doesn't want to live well yet spend little especially in these tough times? With a little imagination and a little more "chutzpah" Ms Kozen shows us that we can find the fun side of frugality. What a great stocking stuffer for your favorite bargainistas. 0 of 0 people found the following review helpful. Easy read to inspire a different prospective on spending By Amanda It was a cute storyline... Good everyday reading material to inspire a new way of thinking. I would recommend it to anyone who is open to different ideas and for those who enjoy thrifty shopping and extra savings.

Forget fashionistas. Meet the bargainista. Annie Korzen is a thrifty woman with expensive tastes. Raised by an immigrant mother who reused tea bags, Annie learned early on how to be an economista. In Bargain Junkie, Korzen shares her hilarious tales from the trenches--the garage sales, estate sales, thrift stores, rummage sales, and online auctions. Korzen haggles, scrimps, saves, and stretches her dollars and her imagination so she can afford to travel, dress well, and eat out whenever possible. Whether she's getting a cardiovascular workout at the store, getting revenge on a yard sale con artist, or eating herself sick at the free green room buffet before appearing on The Oprah Winfrey Show, Annie is the ultimate bargainista.

About the Author Annie Korzen is a writer/performer who has done humorous essays for The Moth Radio Hour, NPR's Morning Edition, The New York Times, Los Angeles Times, and many more. Bargain Junkie has been covered by Tavis Smiley, Morning Edition, Patt Morrison, CBS Moneywatch, and others.
