Andy Andrews : Baseball, Boys, and Bad Words before purchasing it in order to gage whether or not it would be worth my time, and all praised Baseball, Boys, and Bad Words:

0 of 0 people found the following review helpful. Short story, not worth the price. Find it at the library. By David CzI love Andy Andrews (I've been blessed to see him talk on a few occasions) and had high hopes for a book that would bring me to my childhood and my love of little league. I expected lots of anecdotes and life lessons strewn throughout a few chapters that would make me laugh out loud, and cry out loud. What I got instead was a 15 minute read that left me empty. I cannot advise this book for purchase...try to find it at a library if you're that curious about it. 0 of 0 people found the following review helpful. Great story By stringbean Today my husband has dementia. But as a young boy, living on a dairy farm in Maine, he would practice throwing a baseball into a tire nailed to the barn. He became the

pitcher of his high team and dreamed of playing for the Yankees...but there was a problem. Ballgames were played on Sundays and my precious husband is a Christian, who would not even consider playing on the Lord's day. He would have enjoyed reading Andy's book. Genetta1 of 1 people found the following review helpful. The Worst of Andy AndrewsBy Rosey-ReaderI am a Andy Andrews fan and promote most of his books to acquaintances. This was a poor example of Andy's writing and I can't promote it. Reading Return to Sawyertown Springs was delightful. " Baseball "was merely a repeat of the first hilarious chapter with cameo bits of quotations interrupting the humor. I'm sorry to say,"Don't Buy It".

Baseball, Boys, and Bad Words reveals the hilarity and magic of Little League baseball.Often called “the funniest tale ever told,” this story will have you laughing until you cry, while warming your soul, reminding you of childhood and a simpler time.In 1970, eleven-year-old Andy Andrews and a group of friends began a Little League season they would never forget. All the usual ingredients were there?well-worn gloves, freshly cut grass, and new uniforms. But the addition of a coach who was “new to the area” is what made this season truly unforgettable for young Andy.Baseball fans and both current and former Little Leaguers will love the funny story, the age-old baseball wisdom quoted from some of the game’s greatest players, and the vintage baseball photography.

"I dare you to read this story aloud to a friend and not fall on the floor laughing." - Mark Victor Hansen, Creator of the Chicken Soup for the Soul Series"America's greatest storyteller since Mark Twain!" - Mark Lowry, Artist and Songwriter of the Christmas Classic "Mary, Did You Know?"From the Inside Flap Who among us hasn't had a Little League experience? Whether you're a proud parent cheering from the bleachers or a former occupant of the dreaded right field, this little book will conjure fond memories, both old and new, for everyone!
