Thought it was an actual book he wrote. Oh well, the kid will still love it. 0 of 0 people found the following review helpful. "Jjjeeeeeeeennn!!!" By Jenny I too am a "Jen" and when my husband (not a Blake) started saying my name like this I gave him some pretty weird looks... Must be a Jen thing. Needless to say, we love BatDad and his whole family. This book is a cute window in to see how it all began. 0 of 0 people found the following review helpful.
