Gary Greenberg, Jeannie Hayden : Be Prepared before purchasing it in order to gauge whether or not it would be worth my time, and all praised Be Prepared:

An indispensable survival manual for guys entering the trenches of fatherhood, Be Prepared is loaded with one-of-a-

kind insights, MacGyver-esque tips and tricks, and no-nonsense advice for mastering the first year as a dad. Finally, a book that teaches men all the things they really need to know about fatherhood...including how to: • change a baby at a packed sports stadium• create a decoy drawer full of old wallets, remote controls, and cell phones to throw baby off the scent of your real gear• stay awake (or at least upright) at work• babyproof a hotel room in four minutes flat• construct an emergency diaper out of a towel, a sock, and duct tape Packed with helpful diagrams and detailed instructions, and delivered with a wry sense of humor, Be Prepared is the ultimate guide for sleep-deprived, applesauce-covered fathers everywhere.
