**From Kalmbach Books : Beautiful Birds, Bugs, and Butterflies: A Premium Coloring Book Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Birds, Bugs, and Butterflies: A Premium Coloring Book Collection:

Designed for the nature lover in all of us, this activity book presents 30 nature-inspired, detailed environments for colorists to enjoy. Heavyweight artist paper with perforated pages stands up to any coloring medium, including gel markers, and can be matted or framed. Artist Lisa Larsen's designs provide consistent line weights and styles, and include both large and small spaces to fill in.

About the Author Lisa Larsen is a painter, illustrator, and graphic designer whose work is inspired by the beauty of nature, patterns from various cultures, and her love of travel. She has actively designed for the arts and crafts community for many years. Her products include art rubber stamps, greeting cards, paper designs, and coloring books. This is her second coloring book for Kalmbach Publishing. She lives in Niwot, CO.
