Spiritual Coloring Books : Beauty and Scripture: Floral Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beauty and Scripture: Floral Designs:

9 of 9 people found the following review helpful. Both volumes (this is the second) are pretty - just wish they were expanded to fully fill the pages. By Meowzzers I recently purchased both volume one and two of this title. The idea is great of coloring in a page with a scripture verse and have something pretty to post around the house while memorizing scripture! But while the designs were nice enough (LOVED that they were one-sided), they seemed to be shrunk - in that they could almost have fit on half a page sideways (landscape view) - which would almost have been almost better on thicker paper so that they could be folded and used as greetings cards. (As they are, they will have to be cut down to size manually or look odd on a wall.) Even though they weren't exactly what I was hoping for, the designs are lovely and of flowers (instead of nonsense swirly patterns) and I will still enjoy coloring them and using them as reminders of GOD's Word! 9 of 9 people found the following review helpful. Not the best out there...By

Elizabeth YoungMeh, I guess you get what you pay for right? So the line work for these illustrations is gray, not stark black which is preferred for coloring books as it makes the colors stand out much more when they are completed. Also the illustrations in this book are small and centered in each page, instead of taking up the full page like most other books. I can see this being somewhat of a benefit if you were going to mat and frame the illustrations in smaller frames, but I'd rather they be large. The prayers included are nice, and the flowers are okay, just wish the quality was a little better overall. 8 of 8 people found the following review helpful. I am very disappointed in this book and will not be purchasing anything ...By K. BineshThey totally reversed at least 2 scriptures! Can you imagine how confusing this would be for someone just beginning their journey with God?I am very disappointed in this book and will not be purchasing anything further from this publisher.

We created Spiritual Coloring Books with the Christian in mind. This delightful coloring book (Volume 2) features 30 floral illustrations, each with an uplifting Bible Scripture. Each illustration is printed on a single page with the reverse left blank. So now you can: Spend time with God while coloring Learn Scriptures while you color Relax and have fun coloring

About the AuthorSpiritual Coloring Books creates Adult Coloring Books (although children are welcome to color them too!) with the idea that some people want to color to relax, but they also love spending time with God. This is a hectic world we live in. The aim of our coloring books is to provide you with a refreshing oasis of peaceful calm while having fun coloring. We created Spiritual Coloring Books with the Christian in mind. We hope you enjoy our coloring books. You can contact us @ SpiritualColoringBooks@gmail.com.
