Princip My dog and I love this new ritual where we get comfy on the bed where he sleeps and he cuddles up next to my leg and I read two of these stories to him while I rub his head and tummy as he falls asleep. It is a nice bonding time for us at the end of the night that is as nice for me (and a bit of stress relief) as it is for him. I know he doesn't understand the whole stories, but he gets that it is our time and he gets that it is focused on him and he hears his grandma giggle every so often from the other room when the story has a cute joke. My dog's male human likes the nursery rhymes in the back of the book better. But I have a personal fondness for the condescension towards cats in the Goldilocks story and

the clever humor in the Three Little Pugs. 15 of 15 people found the following review helpful. Hilarious and fun!! NEEDS 2nd PRINTING!! By WIAPilot "Bedtime Stories for Dogs" is one of the funniest and most CREATIVE books that I have EVER read. It is WONDERFUL for anyone who has a favorite dog and it makes a SUPERB gift. I have several at my house on hand as gifts and have already given many copies to my family and friends. Leigh Anne Jasheway is a creative GENIUS. I was amazed at her humor and talent as she adapted fairy tales and nursery rhymes to a more "canine perspective." These stories are not "fluff." They show a creative talent that I sincerely hope Jasheway will pursue in additional works. The book is approximately 100 pages and on quality paper. I sent one copy to my sister who is an executive in Colorado (with two degrees and a Masters). She was laughing so hard that she proceeded to call our mother long-distance and READ her one of the stories over the phone! Some of the delightful stories include: "The Three Little Pugs," "Snow White and the Seven Chihuahuas," "Goldilocks and the Three Cats," and more. These are tales that will delight not only your pets, but are sure to amuse children and friends. You will LOVE this book! 1 of 1 people found the following review helpful. Adorable book, very funny and a great gift. By Mrs. C. LOVE THIS BOOK. It's funny and a fantastic book for anyone who treats their dogs like babies. The stories are very witty and cute. I bought a few copies as gifts.

Here's a book that will make dog owners sit up and beg for more. It's Leigh Anne Jasheway's *Bedtime Stories For Dogs*, a hilarious volume for pampered pets and their human parents. From "The Three Little Pugs" to "Snow White and the Seven Chihuahuas," *Bedtime Stories* entertains everyone who's ever had—or loved—a spoiled canine. The tales in *Bedtime Stories for Dogs* are written just the way dogs like things—they're short and simple, they have happy endings, they usually involve food, and they frequently refer to things that smell really awful. Each one of these stories was proofed (and woofed) by the author's two wiener dogs: "If they didn't give a story two paws up and two tails wagging, it was back to the drawing board," she says. This is the perfect treat for anyone: *Whose dog has control of the remote (and flips when watching dog food commercials) *Whose dog occasionally allows him to sleep in the bed (but only if he doesn't hog the covers!) *Who doesn't even notice the dog hairs in their food *Who carries their dog when he gets winded Anyone who has a canine companion will want this charming book. It's a bow-wow bedtime bible!
