Charles Schulz : Being a Dog Is a Full-Time Job: A Peanuts Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Being a Dog Is a Full-Time Job: A Peanuts Collection:

3 of 3 people found the following review helpful. Being a Dog is a full time jobBy walrus1050I had found an old old version of Charlie Brown (circa 1960) and my little 6 year old daughter started reading it. I went online at and found this version. Schulz's humor and gentle approach to life is still relevant now as it was then. I appreciate this book for the memories it brought me when I was younger. But my daughter appreciates now for what it is. 5 stars0 of 0 people found the following review helpful. By Asa walkerGreat bday gift 1 of 1 people found the following review helpful. Lots of comics for the Peanuts fan!By Wiz4dealsLast Christmas I bought this book for my Dad who has been a big Peanuts comics fan for many years. He was very surprised delighted with it! He told me after he read it that it wasn't repeats of old comics from the newspaper. I thought that was pretty cool.

Charlie Brown, Lucy, Linus, Snoopy... the whole Peanuts gang have become American icons, but they continue to live their touching, insightful, comical lives day-to-day in the funny pages. Everyone carries a favorite Peanuts image: The lovable Snoopy perched atop his doghouse typing the first line - "It was a dark and stormy night" - of his next best-selling novel... the irascible Lucy executing the football sneak on the hapless Charlie Brown for the umpteenth time...

and the security blanket-hugging Linus looking askance at the world. "Being a Dog Is a Full-Time Job" is an all-new collection of Peanuts strips, filled with the timeless humor that has gained a daily readership of 200 million worldwide.

About the Author Charles Schulz is a legend. He was the hand and heart behind 50 years of "Peanuts," which featured one of the world's most beloved and recognizable cast of cartoon characters, until his death in 2000.
