**Claire Monette : Being the Bad Boy's Victim** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Being the Bad Boy's Victim:

“Babe, you might want to close your mouth... unless you’re offering something, if you know what I mean...” For

Bellatrix Brown, going back to America was like eating an entire bowl of broccoli—absolutely revolting. Returning to that country meant leaving the people she cared about in London. Connor Michaels, the devilishly handsome bad boy of the school, never really cared about anything, especially not about girls. His usual game: use them then lose them...that is, until he came upon a stunning British belle. The day Bella and Connor's paths crossed, seats were overturned, hot spaghetti was spilled, and sexual innuendos were flung around like confetti. But the more Connor tortured Bella, the more he found himself inexplicably drawn to her, and the more he began to behave amusingly unlike himself. Will Bella continue to be the bad boy's victim? Or will she be able to do what no other girl has ever done before—catch his heart? Join them in this hilariously spunky love story full of twists and turns, dark pasts, and even a dangerous stalker. If you want a book that has the emotional drama of *The Sisterhood of the Travelling Pants* mixed with the parental neglect of *The Secret Garden* then you'll want to read *Being the Bad Boy's Victim*.
