Peter Jackson : Beneath a Straw Boater before purchasing it in order to gage whether or not it would be worth my time, and all praised Beneath a Straw Boater:

0 of 0 people found the following review helpful. An excellent read; very funny and fully enjoyed.By Avid reader 1An excellent read. Very funny and fully enjoyed. This book is great reading material when commuting to work or waiting at the doctor's office. I hope the writer writes another.

A warm and funny collection of anecdotal stories detailing the ups and downs of life as seen through the whimsical eyes of 'Old Lucas'. Best read perhaps, beside a late-summer riverside, with a cucumber sandwich and a glass of wine, sheltered from life's incongruities beneath a straw boater.
