In each story, Jerry makes a musical, historical, and spiritual point which relate to a common theme throughout the book: Wisdom for getting the most out of life, not only for yourself, but for others within your sphere of influence. Critique of Benny to Beyonce By Kathleen Smith I found Benny to Beyonce to be inspiring. Jerry used great transitions to carry the reader from one event to the next. Very few individuals have such wonderful life experiences, and he carries the reader through as if the reader is meeting each of the famous celebrities in person. Even though there are many challenges and low points in the lives of these people, the book remains uplifting. The writing style is excellent. Kathleen Smith English Instructor ESOL/LoneStar College
