The coloring pages are also very detailed, so it's definitely worth the price.0 of 0 people found the following review helpful. Love it!By MichiCaliSotaThis coloring book is awesome! If you like movies and you like Bernie, this will give you much happiness.0 of 0 people found the following review helpful. not what i was expectingBy mebasically bought because i love all things bernie, but was disappointed to see that it is only a few pages long and I was unaware that the theme appears to be 80's films.

What could be better than a coloring book full of future president Bernie Sanders? How about a coloring book full of future president Bernie Sanders as the star of some of Hollywood's most beloved movies of all time? Coloring is a
