John Dojt : Best Adult Jokes 2016- Too Funny! before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Adult Jokes 2016- Too Funny!:

2 of 2 people found the following review helpful. Not very funny, nor very adult.By KacmorFor me it is an embarrassing moment when someone confuses "adult" with "vulgar", and "funny" with "shocking". People will often laugh, when they don't know what else to do, but it doesn't mean they are amused. This author didn't learn the difference. These jokes might seem funny to a crowd at a drinking party. Otherwise almost all of those jokes are just

bad, flat and boring. A few could be saved, if re-worded by someone with a gift for joke-telling. That would bring the total number of acceptable jokes in this collection to, maybe five. A joke, any joke, has to be funny first. PG, or adult. Funny! To this author it seems a novel concept. Using sex, vulgarity and f-bombs for shocking value won't turn an embarrassing attempt at joke telling into a successful endeavor. Only maybe for a very drunk crowd. I would be embarrassed to repeat those jokes to my friends. I don't find laughing at rectum lickings, marathon masturbations, and other such topics neither adult, nor funny. One reviewer was commenting on these jokes being often "knock"- "knock" jokes. Not true, she/he had to confuse this booklet with another. Anyway, you will do better googling funny adult jokes, than relying on those "best adult jokes" here. 3 of 3 people found the following review helpful. Mediocre at best
By LARRY G Very little humor... Just gross dialog Rarely was there even a smile on my face. Maybe it works better if the author tried stand-up comedy. He sure would get instant feedback. 2 of 2 people found the following review helpful. don't waste your money
By Kim G This book was terrible. The jokes were not at all funny. Simply using fowl or rude words does not constitute a joke. I've already tossed it.

Welcome to the latest funny jokes of 2016. Original and unique, these are must read jokes. These jokes are great stress busters and will release Dopamine molecules in your brain. Try it out, I promise you quality entertainment through these jokes. These are all dirty jokes, so if you read this book, don't take offense. If you're a kid, stay away from this.

About the Author I am a joke lover myself and I write books that are highly entertaining. There is something magical in humor that we should all experience. I want to make people laugh hard while reading my books. If they are, that makes me happy.
