From Scribe Publications Pty Ltd. : Best Australian Political Cartoons 2003 (Best Australian Political Cartoons series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Australian Political Cartoons 2003 (Best Australian Political Cartoons series):

A perceptive study of the past political year is presented in this collection of Australian political cartoons created by sharp-witted iconoclasts including Judy Horacek, Jon Kudelka, Michael Leunig, David Pope, Andrew Weldon, and Cathy Wilcox. These cartoons skewer the pomposity, the glib rhetoric, and the untruths put forth by the political elite. Containing more than 150 examples of the cartoonist's art, this book is a tribute to the art, power, and vitality of these comic artists.
