From Scribe Publications Pty Ltd. : Best Australian Political Cartoons 2007 (Best Australian Political Cartoons series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Australian Political Cartoons 2007 (Best Australian Political Cartoons series):

Australia's funniest and most subversive political cartoonists are at their sharpest and wittiest in the latest entry in this bestselling series. Serving as an alternative pictorial history, this is an indispensable portrait of a momentous year in Australian politics and a tribute to the art, power, and wit of Australia's finest cartoonists—such as Dean Alston, Michael Atchison, Mark Knight, and Jon Kudelka.

"There's no better way to review this election year than to savor our politicians being nailed by some of our best cartoonists." —The Age
