From Scribe Publications Pty Ltd. : Best Australian Political Cartoons 2008 (Best Australian Political Cartoons series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Australian Political Cartoons 2008 (Best Australian Political Cartoons series):

With the first collection of Australian political cartoons under the new Kevin Rudd Labor government, Australia's funniest and most subversive cartoonists are at their sharpest and wittiest in the latest entry in this bestselling series. Serving as an alternative pictorial history, this updated edition is an essential guide to the new Labor era and a tribute to the art, power, and wit of Australia's finest cartoonists—such as Dean Alston, Mark Knight, and Jon Kudelka.
