0 of 0 people found the following review helpful. Excellent resource for those who love politicsBy Katharine A. OwensExcellent compilation of editorial cartoons. This series is a classic and a must for anyone who has an interest in political cartoons.

What do the Regan administration, the U.S. Budget, National Defense, the Soviet Pipeline, and the Pro-Football Strike

all have in common? They're all subjects that were up for grabs in 1982 for the nation's leading editorial cartoonists. Started in 1972, the series has been widely acclaimed as a concise yet far-ranging pictorial history of each year's events. As Publishers Weekly said, it's "a great way to get the gut feeling of a year's history." The 1984 edition continues the standard of excellence established in previous editions. More than 350 editorial cartoons reflect the best work of 140 cartoonists who focused their sights on the Middle East, Poland, Latin America, Great Britain, Pope John Paul II, the economy, and an array of other issues that made the headlines in 1982. Editor Charles Brooks is past president of the Association of American Editorial Cartoonists and for 38 years was a cartoonist for the Birmingham News. He has been the recipient of 13 Freedom Foundation Awards, a national VFW Award, two Vigilante Patriot Awards, and a Sigma Delta Chi Award for editorial cartooning.
