WolfAs a cartoonist for a small town newspaper somewhere in the mountains of California, every year I purchase: "Best Editorial Cartoons of the Year".The 2008 edition is another outstanding volume, and full of wonderful political insight from the year 2007. This series spotlights the best of the best, and they are here: Walt Handelsman, Jimmy Margulies, Mike Peters and Dick Locher. Over 100 other great cartoonists are featured in the pages of this book, and I cannot recommend this series highly enough. This is the Bible of the very best political cartoons of the year, and it is as entertaining as it is educational.Subjects included in this 2008 edition include: The Presidential Campaign, The Bush Administration, The Economy, Crime and Entertainment. From Dick Cheney to Britney Spears, nobody is safe from the wrath of these

cartoonists. The Iraq War, gas prices and immigration are all under attack in the pages of this book. From 1972 to 2008; "The Best Editorial Cartoons Of The Year" are THE books on this subject. And if: "The Daily Show" is must-see viewing in your home, this book belongs on your bookshelf as well. FIVE STARS !!! 1 of 1 people found the following review helpful. FUNNY YOU SHOULD NOTICE By T.F. ZUBERI look forward each year for the new edition of The Best Political Cartoons of (the year). Published each year since the early 70's, the selected drawings of our political world so candidly summarize the past year. Additionally, the brilliant cartoonists who have been recognized by various institutions honoring this special field of art are cited with a brief biography of the recipient. Charles Brooks who edited each of the previous publications, passed away this year but he will be well remembered for his enormous contribution to both the unique expressions of our history and well as the collection of talented political artists whose work is so prominent. Fortunately, .com offers each new edition immediately as it is published. I now have the complete collection of this series and will continue to look forward to each new edition. To see the foibles and faux pas of our world leaders this annual collection is a must read. As some great man once said "Leave 'em laughing." 0 of 0 people found the following review helpful. The 2001 Edition of "The Best Editorial Cartoons of The Year" is a collection of ... By Nancy Newell The 2001 Edition of "The Best Editorial Cartoons of The Year" is a collection of Political/Editorial cartoons about the various events that occurred in 2000-including the drawn-out and historical presidential election of that year. Looking at this book reminded me of some of the events that I have forgotten about. I enjoy this book, and I am glad to be able to add it to my collection of Political/Editorial cartoon compilation books.

It is a historical and political look at the year, a gauge of public opinion, a wealth of humor, and a perspective on the issues that may have been overlooked. In Best Editorial Cartoons of the Year: 1995 Edition, the most newsworthy events of 1994 are lampooned or championed by the best cartoonists across the U.S. and Canada. Among other things, this year's edition covers the Clinton Health Care Reform Bill, the O. J. Simpson murder trial, and the United States' involvement in Haiti. President Clinton's health care reform received mixed reviews. Many feared this bill would open the floodgates to too much governmental control and limit the freedom to choose the best health care possible. Others saw Clinton as health care's knight in shining armor, waging a war for those without health insurance. But weighing in at almost one-seventh of the total budget, the bill had little chance of getting through Congress. Cartoonists' reactions ran the gamut from somber to satirical concerning the O. J. Simpson trial. The fact that this event got round-the-clock coverage was of interest, as was the search for unbiased jurors. Although American involvement in Haiti resulted in some bloodshed, Jimmy Carter's emissarial influence helped reinstate a semblance of representative government in this torn nation. The year had its ups and downs, its expected turns as well as surprises. The twenty-third installment in the series, this collection of the funniest and most memorable cartoons may make you laugh or make you sad but will always make you think.

About the Author CHARLES BROOKS, a former president of the Association of American Editorial Cartoonists, has edited this series since its inception in 1972. Brooks served for 38 years as editorial cartoonist for the Birmingham News, where his work won numerous national awards.
