Charles Peattie, Russell Taylor : Best of Alex 2012 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best of Alex 2012:

2012 marks the 25th anniversary of the Alex cartoon strip, which began mocking the financial world back in the yuppie years, when bankers were held in public contempt for being greedy, arrogant and immoral. A quarter of a century later they still are; which leaves us satirists wondering what on earth was the point?
