**Rowan Dean : Beyond Satire: Julia Caesar the Kevin Sutra** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond Satire: Julia Caesar the Kevin Sutra:

0 of 1 people found the following review helpful. Summary of a poor government's record (in humour)By john\_r\_mcdRowan Dean has caught the essence of Australia's last (incompetent) government. His humour is biting; accurate and wounding. And correct.0 of 1 people found the following review helpful. Good readBy Jim TooheyConcise. Humorous. Partisan but not fanatical. Required reading for those revisionists already at work on behalf of Kevin and Julia.

Romping hilariously through the three years of the Gillard/Rudd government, Rowan Dean's sharp pen and eagle eye chronicle the finest and funniest moments of what has been an exhilarating roller-coaster ride. From the back-stabbing intrigues of Julia Caesar in ancient Rome to the reincarnation of Kevin VII and the latest positions of the Kevin Sutra, from Mission Impossible exploits of forged credit cards and high class hookers to evil climate change denier monsters and 'the world's greatest treasurer', from people smugglers to pink batts to politician pop stars, the most entertaining political story in Australian history finally gets the book it richly deserves. Whether you're keen to learn how Kevin finally pulled it off, or to complete a course in dismantling democracy, or to brush up on your spin and media manipulation techniques, Beyond Satire will bring tears to your eyes. Of laughter.
