**G. Richard Bozarth : Bible Tales for Ages 18 and Up** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bible Tales for Ages 18 and Up:

0 of 0 people found the following review helpful. A fiction novel, not a real bible source By Thomas Roth Not quite what I expected, this was OK, but he is trying too hard to be clever. 0 of 0 people found the following review helpful. It

is funny and is very well writtenBy Alisa K. BozarthThis book is thoroughly enjoyable. It is funny and is very well written. Mr. Bozarth knows his bible stories but has a slightly different take on some of them. This is certainly not meant for persons under 18 years of age, but for those who are 18 or older and are open minded, I think you will really enjoy this book.0 of 0 people found the following review helpful. Five StarsBy Freddie payneGreat read. Loved the style of writing by Mr. Bozarth. A different interpretation of several bible stories.

In 1947, Dr. Sebaeus Papius discovered the Terminally Ill Sea Scrolls in the same month the Dead Sea Scrolls were found. The Dead Sea Scrolls became internationally famous, but the Terminally Ill Sea Scrolls were consigned to obscurity, along with their discoverer. Dr. Papius, who endured decades of ego-bruising neglect, provides translations of well-known Old Testament stories, which he insists are the most authentic versions of the stories because the Jewish eschatological cult that created the Scrolls claimed that they were. These stories are more fully developed than in the Old Testament and are humorous, though some parts are appalling, because Bible stories often are appalling.

About the AuthorG. Richard Bozarth is a writer who has had more than 300 pieces published primarily in atheist magazines, including American Atheist, Moral Atheist, and Secular Atheist, as well as in science fiction magazines such as Asimov's. He is a former contributing editor to American Rationalist. He lives in Round Rock, Texas.
