Jordana Tusman : Big Bad-Ass Bar Tricks (Miniature Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Bad-Ass Bar Tricks (Miniature Editions):

The actual book is about 3" x 2" ..that's right inches...it's really small. My second thought was where I was gonna shove this thing but after flipping through it I decided to keep it and I'm glad I did. Forget the small size (it fits perfectly in your pocket) and try some of the magic. Tricks are easy to perform with little or no practice. I have literally won several times the cost of the book back in drinks and bragging rights so if you like to bring a little fun to your local waterin' hole this is the book for you.0 of 0 people found the following review helpful.
